Fall Season October 21-23 &, 28-30, 2016 | The Lab Theater

Venture with MDT into the bold and intimate setting of The Lab Theater for a captivating evening of dance featuring two world premieres by local choreographer Wynn Fricke and MDT company member Helen Hatch, alongside MDT's compelling masterwork *Wingborne* by founder Loyce Houlton. Fricke, who has been heralded as a "choreographic shaman" creates "timeless works that comment on the human condition with muscular choreography and primordial power," while Hatch, whose choreographic "edginess leaves you breathless," blends "ballet with vigorous American movement."

Loyce Houlton's Nutcracker Fantasy December 16-23, 2016 | State Theatre

Once again, imaginative minds everywhere are flocking to Minnesota's outlandish holiday favorite. Experience the beautiful choreography of Loyce Houlton danced by MDT company, guest artists and children of the School, with the brilliant music of Tchaikovsky in the 44-piece Nutcracker Orchestra led by Philip Brunelle. Continuing its tradition of enchanting audiences, *Loyce Houlton's* ***Nutcracker Fantasy*** remains one of Minnesota's most treasured holiday events.

Carmina Burana – Back by Popular Demand! January 20-22, 2017 | The Cowles Center

What's more exciting than the portrayal of love and lust, desire and longing, combined with raucous and bawdy good fun? Watching it all spill from the stage in this sizzling collaboration, featuring a dynamic mix of MDT dancers, acclaimed vocalists, chorale members and musicians. *Carmina Burana* is a sensuous and gritty romp, with the stirring and powerful music of composer Carl Orff, based on poems written by 13th century vagabond poets…those rascals!

Spring Season April 7-9, 2017 | The Cowles Center

Celebrating local music icon Bob Dylan, MDT presents the Minneapolis premiere of *Moonshine* by world-renowned British choreographer Christopher Bruce. Set to early folk songs from Dylan's *Bootleg Series*, the provocative piece explores the emotional, sometimes haunting, stories of four traveling performers. Also highlighting MDT's classical and contemporary aesthetic, the program will feature the revival of the enigmatic and beautiful *Mythical Hunters* by legendary chorographer Glen Tetley. A historic staple in MDT's repertory, the company has shared the acclaimed work, exploring the cycle of life, with audiences from Minnesota to Spoleto, Italy.

Strawberry Festival: A Student Showcase May 26-27, 2017 | The Cowles Center

Training tomorrow's dancers today, MDT celebrates the talent and accomplishments of its aspiring dancers as they take the stage for the 2017 *Strawberry Festival, A Student Showcase*. Performing pieces especially created and selected for them, this annual show features students from every level of MDT's Performing Arts Division, Young Children's Division and Boys Classes.
